### *Christmas*

Snow is everywhere  
Hear Santa say "HO HO HO!"  
Christmas is the best.

### *The Christmas Surprise*

by Shaylee (4<sup>th</sup> Grade)

Splotch, Splotch, crunch, crunch goes the snow  
Can you see the Christmas trees glow?  
Let's go play in the snow says brother  
Make sure to put on hats and gloves says mother  
When we get outside we see a big red bow  
We open up the box under the snow  
Out jumps a puppy!  
Thank you dear Santa Claus,  
I think I'll name him Muppy!

### *Christmas*

Once upon a time on  
Christmaseve. I was happy  
Glad, having fun, kind, sweet,  
Nice in tell that morning I was  
Excided, helpful and I showed kindness.

Kind, sweet, happy,  
Glad, helpful, exited,  
Nice, kindness, sweetness,  
Not bad

### *Christmas*

Christmas is a very fun day  
I wish it would stay  
Family all over  
Along with my dog Rover

I'm putting up the tree  
Thank goodness there are no bees  
Singing Christmas carols  
Along with my cousin Harold

Opening presents can be so fun  
As long as you aren't out in the sun  
Spending time with family  
While watching Bambi

Can't wait until New Year  
2014 is what I'm hearing  
Merry Christmas to all  
I wonder why it still looks like fall.

Christmas is fun.

Rocking out is awesome.

Ice-skating is fun.

Setting the Christmas tree up is awesome.

Too much candy equals a sugar rush.

More people equals rush hour.

Adding more presents to the Christmas tree is cool

Sitting in a pool is cool

*A (Not Quite So) Merry Christmas*  
by Samantha (5<sup>th</sup> Grade)

Christmas day is here  
That is a fact I know  
My stocking's full of goodies  
I'm excited from head to toe

My mommy got a new pot  
My brother got a ball  
My sister got a baby  
But I've got nothing at all

I looked under the table  
I looked under the couch  
I did not find anything  
I'm starting to be a grouch

No matter where I looked  
I found nothing I'm sorry to say  
I think this one will be  
My very *worst* Christmas day

I froze I heard a noise  
And BANG! Out the chimney he came  
There was good old Santa Clause  
In his mouth a candy cane!

He reached into the big red sack  
And then pulled out a blue jay  
Once again, dear Santa Clause  
Has saved the day **HOORAY!**

*Santa's HO HO HO*  
by Jaslee (6<sup>th</sup> Grade)

Christmas lights glow on  
A dark, wintry, night.  
Presents wait under the tree  
And children smile with delight.  
There is joy in the air,  
Happiness in the night  
Hope that Rudolph has finished his flight.  
Snow comes down,  
And covers the ground.  
The mouse in the hole  
Sleeps so sound.  
Celebrating this time of year  
Makes you hear the sound of love,  
The sound of joy,  
The sound of Santa's HO HO HO!!
